Local Merchants Warned by Police On Phoney Checks

A bad check warning was sent out yesterday by the Albany Police Department stating that a number of small denomination checks have been floated by individuals throughout the area recently. Merchants are to be on guard against the small-purchase-and-change dodge by individuals who's checks come back with monotonous regularity marked "No account." Acting Inspector Art K. Smith of Albany's plain clothes detail reports that he made one arrest Tuesday covering this series of fictitious check incidents—the culprit having passed 10 or more checks in Albany.

Albany Plans 5-Day Week For Police

Proposals for a five-day week for Albany police officers, alterations to police headquarters and an Albany Police radio will be included in the budget requests for the coming fiscal year, it was disclosed today by Police Chief Stanley C. Williams.

In addition to the five-day work week proposal, Williams said he was passing on to the budget committee and police commission a request from members of the department for a 10 per cent increase in pay and seven paid holidays a year.

The requests, the chief said, were in line with other Bay area departments where a five-day week is either in operation at present or is to be instituted shortly. He cited the cities of Alameda and Vallejo and the California Highway Patrol. Berkeley is considering the plan at the present time.

The plan for a police radio station in Albany would give the city direct control over police cars on patrol. It was estimated the cost of installation of a control station and two-way radios in five police cars would be between $3000 and $5000. The equipment, if approved, would be the new frequency modulation-type now required by the Federal Communications Commission. Williams said it was his understanding that all police departments would be required to adopt the FM transmission system by 1950.

Nearly $4000 will be requested for alterations to the present police station, Williams said. In order to provide adequate working area and office space in the present building, it will be proposed to move the squad room from its present location in the station proper to new quarters which would be built over the jail. The new squad room would be reached from a flight of steps from the rear of the station.

Other plans call for rearranging of offices in the station to provide for an interrogation room and give more space to activities of various investigating operations, including the juvenile division.

Rotary to Learn About Oxygen

Lockhart is the manager of the local Safeway store. His family consists of his wife, Linda; daughter, Florence, who just graduated from Albany High School and sons, Jack and Robert, students of Marin Elementary School.

Lockhart has been a resident of Albany for 20 years and has in that time, in addition to his store responsibilities, taken on a long and varied list of social, civic and community activities, among which may be enumerated: Past President Lion's Club, chairman of the Youth Center Committee, Past President of Cornell Dad's Club and committee chairman of Sea Scouts Ship No. 49.

When queried about taking his tenure as a Board of Education member Tuesday, June 29 at 7:30 p. m. at Marin School Lockhart characteristically made this statement: "I am very proud to accept the appointment of the Albany Board of Education. I am vitally interested in Albany and the problems of Albany. As a Board member I shall have the opportunity to devote myself to working in the interest of the youth of this community."

ALBANY Soroptimist News

By BEA RAYMOND

The weekly meeting of the Albany Soroptimist Club was held June 16. Claire McGaw as song leader certainly put the members through their paces in singing some very snappy tunes.

Because vacation time is coming for the Soroptimist Club the members prove that after all they are just kids grown up, because they certainly put a lot of zip into their singing as the kids do on their last day of school.

Mrs. Vickland, Girl Scout director of the troop movement in Cordonices Village, was present and put the finishing touches on the arrangements for the Scout Troop 94 sponsored by the Albany Soroptimist, to have eight days outing during the last of June and the first few days of July.

Irene Villa of Villa's Motors and Mildred Heim, George's Coffee Shop, have charge of the arrangements for this outing, and of course the bills are paid by the club. A good many things of a routine nature were taken up before the girls adjourned, most of them green with envy because of the disclosure that our very popular member, Minnie Lou Eakin, Builder, is leaving Friday on a tour conducted by the Oakland Chamber of Commerce. They are sailing on the Steamship Corsair, the former Rockefeller yacht, docking first at Victoria, British Columbia, then to Ketchican, Alaska, then to Wrangel, Alaska, then to Petersburg, Juno, Skagway, Sitka, then to Vancouver, B. C. where Minnie Lou will be met by her sister, Helen Williams, who will drive Minnie Lou back to her home port of Albany.

THE CARTERS ARE BACK ON THE JOB

Many will rejoice to hear that Merwin and Ruth, known at the neat establishment at 902 San Pablo as Mr. and Mrs. Carter are back in circulation at the same old stand. She, after a month at Herrick Memorial Hospital and he, after a four weeks' vacation.

The teen-agers who participated in the Young People's Folk Dance Festival at Albany High School on May 29, presented dances of many nations to a crowded balcony of interested spectators.

Auto Liability Law Will Be in Effect on July 1st

There were so many inquiries about the new California Motor Vehicle Financial Responsibility Law that a brief digest is hereby offered, at the suggestion of members of Albany Association of Insurance Agents. First: It becomes effective July 1st, 1948. Second: It is designed to restrict the operation of automobiles in California to those who are able to pay for certain damages to life or property they may be responsible for. Third: Accidents involving damage to persons or property in excess of $100 by an owner or operator who is uninsured requires the deposit of a sum satisfactory to the Department of Motor Vehicles.

Failure to do this within 60 days after report of the accident may give the Department the right to suspend the license of the operator of that vehicle. Under certain conditions of contracts executed between persons making claims, and other exceptions deposit of security may not be required by this law.

However, the intent of the new law is obviously to reduce the number and size of losses incurred by owners and, or, operators, and to deny to reckless and financially irresponsible persons the right to operate automobiles in California.

A comprehensive digest of this law is obtainable in booklet form from any of these agents: John S. Sloan, Roy Harford, Mrs. B. Raymond, Mark Reid, Al Phal, G. D. Gaeta, C. H. Eccleston and Gene Latapie.

Villa's Show 1949 Studebaker Truck

"Studebaker, America's leader in top quality transportation vehicles for close to a hundred years, now presents the world's first 1949 line of motor trucks," said Henry S. Villa, Albany Studebaker dealer. "These sensational new trucks are way ahead of any other trucks on the market in design and performance," he added. The roomy new cabs have extra large windows and windshields for wide-range visability. They are available with the world's finest truck ventilating and heating system. They have the new lift-the-hood accessibility for easy servicing and adjustments. They have frames and axles of new strength—brakes of new stopping power, exceptionally thrifty Econo-miser and Hy-Mileage truck engines. The new handsome, husky 1949 Studebaker trucks can be seen now at Henry S. Villa's, 929 San Pablo Ave.

American Legion Initiation Friday

By WALTER HOLLAND

Albany Post No. 292 The American Legion will catch up with all of its initiatory work for the recruits signed up on Friday evening in the Albany Memorial Building, the meeting starting at 8 p.m. This class of 27 will be honored by having the Richmond Post No. 10 initatory team conduct the ceremonies of initiation. The Richmond Post Team is newly organized and uniformed and they expect to be the Champion Ritualistic Team of the State after the Department Convention to be held in San Francisco in September.

To entertain the Richmond Legionnaires, the newly initiated members and the members of Albany Post, entertainment Chairman Le Roy Holland has engaged a show of extraordinary class and talent to top off the evening. In the evening Mess Sergeant Ammon A. Cook will put on his annual corned beef and cabbage menu.

With the Mayor's Civic, Patriotic July 5th celebration getting closer the date the Albany Post Committee will report on some of the definite features of the Post's part of the day's activities.

The parade committee under the direction of Cecil Kemp believes with the full cooperation of the Post members that the American Legion Section of the parade will be the tops in the parade. Kemp reports that the Col. Young No. 269 Drum and Bugle Corp and the Weldonian Band will both appear in the parade under the sponsorship of Albany Post No. 292 and the other things Kemp has in mind will remain confidential except to members of the Post, for, says Kemp, "We'll be in competition for some of the trophies and prize awards to be made for some classes of showings in the big parade."

The Albany Post No. 292 Senior Junior Baseball team goes into the eighth round of the official Legion series of play Saturday, playing Berkeley Post No. 7's team at the James Kenny Park and Alameda No. 7 Sunday at the Lincoln Park in Alameda at 2:30 p. m. The time for the Berkeley game is not definitely settled.

In the 7th week of play Albany Post beat Humphries Post No. 732 nine to five Saturday (June 11th) at Bushrod Park and took the Washington Township Post on the Albany Diamond, 11 to 0, Sunday.

In the Sunday game Billy Castel pitched a one hitter and struck out 9 batters, the hit made by the opposition was made in the ninth inning. Albany played errorless ball and only one Washington Township player got as far as second base.

Baview Aerie To Observe Emblem Day

Emblem Day, a highlight historic date for Eagle observance, will be commemorated by Bayview Aerie on Monday, June 21, with an Emblem Day class and program.

This year's program marks the sixth year since Emblem Day, June 20, was placed upon the Eagle Calendar and will be observed by Aeries throughout the Nation with addresses, music, singing and passage of resolutions calling upon Congress to establish each June 20 as national Emblem Day for nation-wide observance, a patriotic Eagle objective.

The Great Seal, with the Eagle as the dominant figure was adopted by the Continental Congress on June 20, 1782. The Eagle origin of Emblem Day goes back to 1942 convention of the Wisconsin State Aerie.

Robert W. Hansen, editor of Eagle publications, and past grand worthy president, then president of the Wisconsin State Aerie, introduced a resolution which met with favor for observance of an Emblem Day by Wisconsin Aeries. This resolution is now being adopted by Aeries throughout the Nation.

Bayview Aerie will initiate a class on June 21 in honor of this historic event.

Junior Past President Matt J. Zack is also to be honored on this day for his excellent services during the past year.

Gillvets Strive To Tie Maccabees

Gillvets nosed out the El Cerrito Civic Club 8 to 7 at Memorial Park, Sunday, June 13, in the Albany Recreation Department Spring Softball League. This win enabled the Vets to maintain their possibility of a tie for the championship, if the Maccabees lose their final game to the Berkeley Y.M.I. Estes of the Vets was the outstanding player in the field, hitting 3 for 4 and driving in Mansfield with the deciding marker in the seventh inning with a long single to left.

Down at Codornices the Berkeley Y.M.I. were eliminated as a serious contender when they suffered their second defeat of the season losing to the Junior Chamber of Commerce 9 to 4. Villa of the Junior Chamber sewed up the gall game in the third inning by homering with two men on the bases.

In the second game, the Maccabees won their seventh in a row over the Albany Post Office 5 to 1. The worst the Maccabees can do now is finish in a tie for the championship. Marinkovich hit a home run for the Maccabees with one man on in the first inning, and from then on the contest was never in doubt.

1949 Ford Now At Campbell's

Long heralded and impatiently awaited by many, the 1949 Ford with many radical departures from traditional Ford styling and engineering has made its appearance at Curt Campbell's. Quoting Albany's Curt Campbell Ford Agency: "New standards of beauty, comfort, economy and performance in the 1949 Ford passenger cars advance them far ahead of others in the low-priced field." Speaking of the new type suspension system "Hydra-coil" springs, Curt Campbell said, "this replaces traditional transverse springs and the front axle. This system is centered around airplane type shock absorbers mounted within low frequency coil springs." In the rear extra long longitudinal springs are complemented by airplane type shock absorbers. The drive shaft tunnel has been decreased by adoption of the Hotchkiss drive and the hypoid rear axle.
